Purpose: To recommend primary source math textbooks and materials for secondary grades. The dollar amount will be determined by the size of the school and cost associated with purchasing consumables associated with the program.

---

**PROPOSAL SELECTED:** See recommendations

---

**Recommendations to the Board of Education:** The Curriculum Department recommends the adoption of the following books for Advanced or Applied Foundation Secondary Math as their primary source materials: For the Introduction to Statistics class we recommend Bedford's Statistics through Applications and Pearson's Stats In Your World. For College Prep classes we recommend McGraw-Hill's Algebra for College Students and Pearson's Algebra and Trigonometry. For the Mathematical Decision Making for Life class we recommend Bedford's For All Practical Purposes. Mathematics of Personal Finance classes will use Cengage's Financial Algebra. McGraw-Hill's Business and Personal Finance will be used for teacher's resource.

A committee of teachers and advisers reviewed written and oral presentations from all four vendors. A committee evaluated proposals from four (4) vendors and scored responses on the criteria listed in the RFP.
