FEBRUARY 28, 2017
Date

Items for Bid: NEW PORTABLE CLASSROOMS

Bid No. 17DB05-3
Cost Estimate: \$113,800.00

BIDDER

1. Arco Electric
2. Compass Line Construction
3. Copper Valley Construction
4. Wasatch West Contracting

PURPOSE: New Portable Classrooms for the Jordan School District.

BUDGET: Capital Portable Budget

JUSTIFICATION: In order to be able to construct a new portable classroom in a timely manner, and to be prepared for all future growth needs, it is the intent of the Facility Services Department to award a contract with a qualified builder. Any construction of a new portable would be approved by the JSD Cabinet and subject to Board of Education approval.

BID SELECTED: Copper Valley Construction

Recommendations to the Board of Education: Facility Services recommends awarding a contract to Copper Valley Construction as they are the lowest responsive and responsible bidder that complies with the specifications, terms, and conditions of the bid.
