

JORDAN SCHOOL DISTRICT
Patrice A. Johnson, Ed. D., Superintendent of Schools
7387 South Campus Drive, West Jordan, UT 84084

SUMMARY OF AWARD

ADMINISTRATOR OF SCHOOLS
School or Department

AUGUST 9, 2016
Date

Items for Bid: DRIVER'S EDUCATION VEHICLES

Bid No. 17KP05
Dollar Amount: Not to Exceed \$120,000.00

BIDDER

1. Jerry Seiner
2. Riverton Chevrolet
3. Young Chevrolet Co

JUSTIFICATION: In working with the Driver's Education teachers this year, it was requested to replace two range cars at each high school instead of purchasing a new road car for each high school. Because of that, we had each school identify the two cars that are in the worst condition and tend to have the most mechanical problems. We also had John Sanchez, our mechanic who maintains these vehicles confirm the ones that badly need replacing. We will be replacing cars with model years 1993 to 1998 as well as two cars that are 2003.

The purchase of these cars will be funded by a state grant. The grant money must be used prior to August 31, 2016. It is also our preference to purchase Ford or Chevrolet vehicles, where possible, because that is what our entire Driver's Education fleet is made up of and will help with part replacement and maintenance. The ten vehicles we would like to purchase total \$104,109. We will have John Sanchez inspect each vehicle to confirm that it is in good mechanical standing prior to purchase. If one of the chosen vehicles is not in good mechanical standing, we may purchase one of the other vehicles identified in the bid.

Because vehicles range in cost, we are requesting your approval for up to \$120,000 to ensure we are purchasing cars that will last for a long time.

PURPOSE: To Provide Vehicles for Driver's Education.

BUDGET: State Grant

BID SELECTED: Multiple Award

Recommendations to the Board of Education: The Administrator of Schools recommends a multiple award among all bidders, as each were the lowest responsive and responsible bidders and comply with the specifications, terms and conditions of the bid.
