### **PROPOSAL SELECTED: Multiple Award**

**Recommendations to the Board of Education:** A Three (3) member committee completed the initial evaluation of three (3) vendors. A six (6) member committee evaluated and scored proposals and demonstrations from the remaining two (2) vendors. They submitted their final recommendations. Both Pearson and Walch Education have strengths in various areas and it is in the best interest of Jordan School District to do a multiple award so schools can order from those vendors that can best serve their needs. Cost will be determined by need and budget associated with each secondary school.
