7387 South Campus Drive, West Jordan, UT 84084

## SUMMARY OF AWARD

INFORMATION SYSTEMS

School or Department

FEBRUARY 27, 2018

Date

Items for Bid: **SERVER & ENDPOINT PROTECTION SOFTWARE**

---

Bid No. 18DC03-3  
Estimated Cost: \$151,064.25

<b>BIDDERS</b>	<b>Base Bid</b>
1. BorderLan Security	\$238,485.00
2. Logisoft Computer Products, LLC	\$177,156.00
3. Patriot Technologies	\$406,055.00
4. Stratoguard LLC	\$202,870.40
5. Valcom - Salt Lake City	\$151,064.25

**PURPOSE:** Jordan School District's current Server and Endpoint Protection software is expiring and a new solution is needed. The new solution for Server and Endpoint Protection that has been selected will provide increased ability to detect and prevent viruses, spyware, advanced malware and ransomware.

**BUDGET:** Information Systems Software Budget

---

**BID SELECTED:** Valcom - Salt Lake City

**Recommendations to the Board of Education:** Information Systems recommends awarding the bid to Valcom - Salt Lake City, as they are the lowest responsive and responsible bidder that complies with the specifications, terms, and conditions of the bid.
