7387 South Campus Drive, West Jordan, UT 84084

SUMMARY OF AWARD

INFORMATION SYSTEMS
School or Department

OCTOBER 16, 2018
Date

Items for Bid: Lightspeed Web Content Filter and Support

Bid No: 19TH03
Bid Amount: \$ 142,400.00 (3 years)

BIDDER

1. Begus Online
2. Converged Networks, LLC
3. VLCM

PURPOSE: To provide web content filtering for students and staff. This is the system that prevents students and staff from getting to inappropriate websites. Lightspeed continues to be the top of their industry. The District currently has a significant investment in this content filtering solution. This renewal will be for a (3) year period.

BUDGET: Information Systems Contracted Software

BID SELECTED: VLCM

Recommendations to the Board of Education: Information Systems recommends awarding a contract to VLCM, as they are the lowest responsive and responsible bidder that complies with the specifications, terms and conditions of the bid.
