1. Renner Sports Surfaces	\$616,316.00

Purpose: To remove existing track surface, repair existing asphalt and installation of a new surface at Herriman High School.

BUDGET: Capital Summer Projects

BID SELECTED: Renner Sports Surfaces

Recommendations to the Board of Education: Purchasing recommends awarding the contract to Renner Sports Surfaces as they were the only Offeror that complied with the bid specification. Renner Sports Surfaces' pricing offered is in line with current market values, which will provide the best value to the district. Re-bidding this project would most likely not reduce the cost of the project.
