Purpose: To provide math curriculum for grades 6-8.

BUDGET: FY24 Budget Request

BID SELECTED: Imagine Learning

Recommendations to the Board of Education: In January a multi-step RFP was issued and ten (10) math curriculum publishers submitted their proposals. In February, the RFP evaluation committee conducted an extensive evaluation process and narrowed the selection down to four (4) math curriculum publishers that achieved the minimum score threshold and would therefore proceed to Oral Presentations and Cost Evaluation. The evaluation committee recommends awarding the contract to Imagine Learning as the highest-scoring and lowest-cost math curriculum publisher providing the best value to the District. This is a five (5) year contract.
