BUDGET: General Special Education and 504 Budgets

BID SELECTED: Embrace

Recommendations to the Board of Education: In March a multi-step RFP was issued and three (3) special education software vendors submitted their proposals. In April, the RFP evaluation committee conducted an extensive evaluation process and narrowed the selection down to two (2) special education software vendors that achieved the minimum score threshold and would therefore proceed to Platform demonstration and Cost Evaluation. The evaluation committee recommends awarding the contract to Embrace as the highest-scoring special education software vendor providing the best value to the District. This is a five (5) year contract.
