Purpose: To provide an Early Interactive Reading Software program for grades K - 3.

BUDGET: 24RKB EISP Grant

BID SELECTED: Amplify Education, Houghton Mifflin Harcourt Publishing & Lexia Learning Systems

Recommendations to the Board of Education: In August a multi-step RFP was issued and eleven (11) Early Interactive Reading Software publishers submitted their proposals. In September, the RFP evaluation committee conducted an extensive evaluation process. The evaluation committee recommends awarding contracts to three (3) vendors as the highest-scoring and the best value to the District: Amplify Education, Houghton Mifflin Harcourt Publishing and Lexia Learning Systems. This is a five (5) year contract or until State grants are no longer funded.
