TEACHING & LEARNING  
School or Department

NOVEMBER 28, 2023  
Date

Items for Bid: CLASSROOM AI SOLUTIONS FOR DIGITAL TEACHING & LEARNING

Solicitation: 24TH05P5

**Total Awarded Expenditure:** \$922,725.00 over 5 years

---

### VENDORS

---

1. School AI
2. Skill Struck

Purpose: To provide an AI platform for use by teachers and students in school classrooms under the direction of Digital Teaching & Learning.

BUDGET: To Be Determined

---

**BID SELECTED:** School AI

**Recommendations to the Board of Education:** A multi-step RFP was performed including presentations. The evaluation committee recommends awarding a contract to School AI as the highest scoring, responsive and responsible proposal. This is a one (1) year contract with four (4) annual renewals.
