Recommendations to the Board of Education: At the May 27, 2025, Board Meeting, the contract was originally awarded to Five Star Technology Solutions as the lowest bidder. However, Five Star Technology later claimed they could not honor the pricing. Therefore, the Purchasing Department recommends awarding the contract to Trafera, which is the second lowest responsive and responsible bidder and complies with the specifications, terms, and conditions of the bid. This award is for a three (3) year contract.
